Projects

Stuck at Lv. 1 - 2D action roguelike RPG

SEP. 2023 - APR. 2024

- Developed a game in Unity titled **Stuck at Lv. 1** alongside three other members where I took on the role of character, concept, and pixel artist, as well as UI designer
- Compiled reference boards, created several character concepts and illustrations while also designing some of the game's UI.
- Learned pixel art to create character and environment sprites, as well as various UI elements.

Trend Hopper! - 2D Dress-up and Rhythm Game

JAN. 2023 - APR. 2023

- Developed a game in Unity titled **Trend Hopper** alongside seven other members where I took on the role of a character artist and UI designer.
- Created 100+ assets for the game ranging from character sprites to UI elements.
- Gained experience working in a collaborative team setting where each member had to meet strict deadlines and collaborate with one another to complete tasks.
